

BP CommLinx Payment Guide BP Retail Network (with EPS)

General Information

Welcome to the BP CommLinx Payment Guide. This Guide contains the information you need for processing payments at your site using the Electronic Payment System (EPS). Use the Table of Contents to help you navigate through it. This Guide provides processing information for BP Proprietary and Third Party Credit Cards, Debit Cards and BP Gift Cards. The ability to process all cards is site specific.

Authorization and processing procedures contained in this Guide apply to sites that are processing on the BP Retail Network.

Authorization and processing procedures contained in this Guide that relate to BP Credit Cards are applicable to all BP sites or other locations as approved by BP to process acceptable forms of payment. Acceptable forms of payment are listed in Section 1.0 of this Guide.
