Marathon® teams up with Ecolab Pest Elimination to provide pest services

Marathon has teamed up with Ecolab Pest Elimination to offer you a comprehensive pest services program. As a Marathon customer, you are eligible for this great offer that includes:

- Nationally preferred pricing
- Comprehensive inspection report
- Free pest inspection
- Guaranteed pest elimination

Insects and rodents destroy inventory, pose a health threat to your customers and employees, and can damage your reputation. The result can be lost business, additional inventory expense, and even litigation. Catch any potential pest issues early – before they become an expensive problem. Protect your customers, your employees and your business by scheduling your FREE pest inspection with Ecolab today.

Circle of Protection
First We Eliminate. Then We Protect.

ECOLAB®
PEST ELIMINATION

Pest Elimination vs. Pest Control

At Ecolab, we believe that “pest control” isn’t enough. Using proprietary tools and techniques, **WE ELIMINATE THE SOURCE OF PEST PROBLEMS.**

PEST ELIMINATION

- Full facility inspection
- *Estat* sanitation and structural summary
- Follow-up service at no charge
- Exterior treatment for occasional invaders
- Exterior rodent protection
- Interior rodent protection
- Targeted residual treatments
- Targeted pyrethrum flushing
- Dusting of active voids
- Targeted proprietary baits
- Proactive fruit fly treatment

PEST CONTROL

- Residual treatment
- Cockroach bait puck placement
- Invoice

Preferred Pricing and Cost Reduction

Ecolab Pest Elimination is currently servicing over 1,500 Marathon Petroleum Company locations. By leveraging the purchasing power of this existing business, we are able to offer you reduced pricing on our comprehensive pest solutions. *Now, YOU CAN TAKE ADVANTAGE of the national pest elimination leader for the cost of a local pest service company.*

Quality Service

Ecolab Pest Elimination brings to you highly-trained Service Specialists, industry-leading technology and a **COMMITMENT TO OUTSTANDING CUSTOMER SERVICE**. Our Service Specialists receive ongoing training and state certification (where required) to ensure that they have the experience and expertise to do the job right. They are outfitted with Ecolab’s proprietary equipment and backed by the industry’s most effective tools. Ecolab service protocols are nationally standardized and based on government regulations, providing you with the results you need. And you can **EXPECT A QUICK RESPONSE** from your Service Specialist, by calling our toll-free, 24-hour National Support Center.

Discreet Service

To help PROTECT OUR CUSTOMERS’ REPUTATION, Ecolab provides discreet elimination services. Our vehicles are simply marked with “Ecolab Certified Services” so as not to alert attention in your parking lot. Our Service Specialists wear discreet uniforms and perform service in an inconspicuous manner. Service is often performed at night or during off hours, to minimize any inconvenience to you or your customers. Ecolab utilizes discreet bait and monitoring stations, often disguised as rocks or vents that blend in with your décor and landscaping.
