

The **Total Solution** credit card processing program is an all-inclusive agreement designed to add consistency and control to all of your most critical day-to-day business activities. Many other credit card processors in the market have the initial appeal of a low rate, but once hidden fees are added in, the costs significantly increase.

## **Hidden Costs**

with other merchant credit card processing services in addition to quoted per transaction fee

- |   |   |   |
|---|---|---|
| ➤ Application Fee   | ➤ Annual Fee  | ➤ Transaction Fee                       |
| ➤ Voice Authorization Fee   | ➤ Administration Fee                                | ➤ Batch Fee                             |
| ➤ Equipment & Supply Fees   | ➤ Statement Fees                                    | ➤ Voided Transaction Fee                |
| ➤ Retrieval Request Fee   | ➤ Monthly Customer Service Fee                      | ➤ Over Limit Fee                        |
| ➤ Chargeback Reserve Accounts   | ➤ Chargeback Fee on top of Actual Chargeback Amount | ➤ No Guarantee of Timely Payment to you |
| ➤ Acceptable Credit Cards:  |   |   |
| <ul style="list-style-type: none"> <li>○ Visa &amp; MasterCard. Other cards require separate agreement and additional Fees</li> </ul> |   |   |
